youth, social work and addiction

Newsletter Ecett

January 2021

www.ecett.eu

Georges van der Straten

Dear readers,

you may have been surprised not to receive any Ecett
Newsletter since January 2020...

Here is the explanation:

we publish in our Newsletters extracts of good practices
written by trainees and their testimonials.

But due to the pandemic, all internship projects for 2020
have been cancelled. So we had little information to
share.

However we are innovating by launching webinars where
hosts share their good practices.

Our next newsletter could come back about these good
practices...

Patience, let's get started!
